

Why Walk for Clean Air?

Awareness & Community Involvement

Since 2005, CAFE Johnson County has organized an annual Walk for Clean Air event to encourage community members to become involved in advocating for smoke-free environments. This event brings together individuals and groups whose lives have been affected by tobacco.

Your Contribution Makes a Difference

CAFE Johnson County volunteers work to address four tobacco control objectives: preventing youth from starting tobacco use, helping tobacco users quit, eliminating exposure to secondhand smoke, and focusing on special populations such as pregnant smokers and college students.

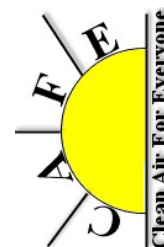

Join Us on Saturday, May 5th
